

Special Report of Aggregate Performance on United States Medical Licensing Examination® (USMLE®) 2020

Medical School: 1. Lékařská Fakulta, Univerzity Karlovy
Country: CZECH REPUBLIC

The chart below shows the aggregated first-attempt pass rates of students and recent graduates (those who graduated in 2018 or later) of the medical school named above for exams taken during 2020. Pass rates are reported separately for the USMLE examinations Step 1 and Step 2 Clinical Knowledge (CK). Due to the suspension and subsequent discontinuation of Step 2 Clinical Skills (CS) as of March 2020, data is not reported for this exam. These data have been prepared to meet the requirements of the U.S. Department of Education (DoE) regulations.

	2020 First Attempts	2020 Number (Percent) Passing
Step 1	22	22 (100.0%)
Step 2 CK	16	16 (100.0%)

These aggregate performance data are for the medical school named only and are subject to the terms and conditions detailed in the “Performance Information Agreement,” including the “Restrictions on Use” and “Confidentiality” provisions. Specifically, this report may be submitted to the U.S. Department of Education to fulfill the agency’s reporting requirements.
